

TOKAGAWA SHOGUNATE – MINDMAP ACTIVITES

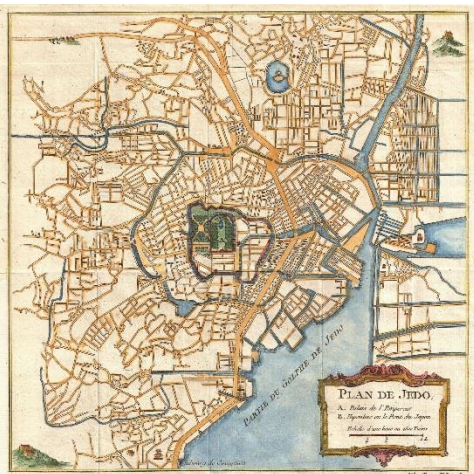

EDO CASTLE

Learning goals – I can:

- Understand and explain the concept of a castle
- Discuss why the Shogun lived in the castle in Edo
- Discuss why the Daimyo and their families were also required to live within the castle walls

Instructions:

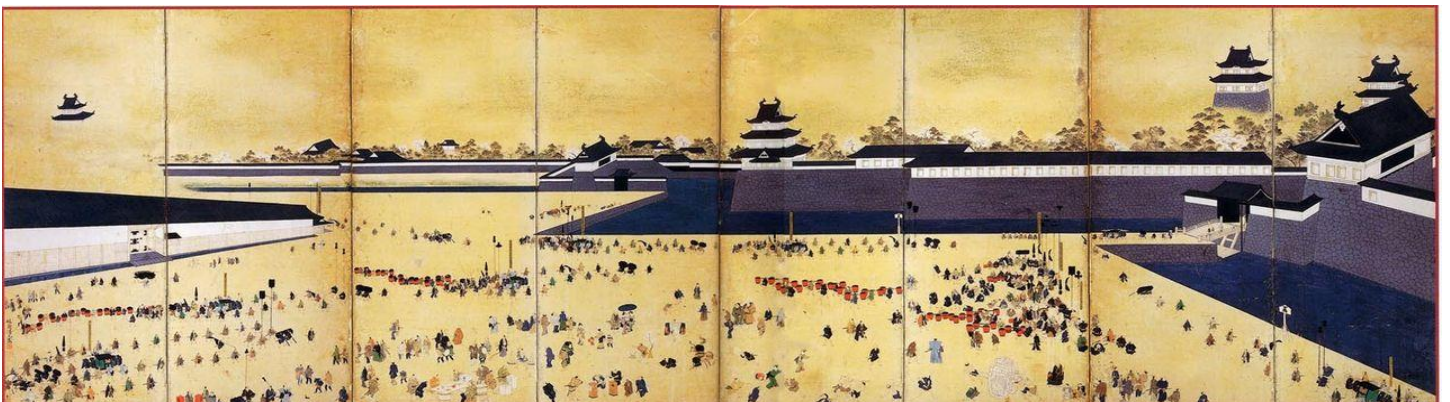

1. Upload the Edo Castle Project Webpage <http://www.jcastle.info/edo/192>
2. Under your heading of 'castle' on your mind map, use key words and an image to define what a castle is.
3. Select one of the photos under the heading of "Structure type"
4. List key words about the structure of the Edo Castle on your Mind map with images from the website.
5. Go to "Photos by Location" and select two photos and add key words and images to your Mind map.
6. Think about what you see in the photos and add these ideas to your Mind map
7. Lastly, learn more about the Edo castle at this website <http://www.us-japan.org/edomatsu/edojo/frame.html>
8. Add further key words and images to your Mind map – *check the rubric*

1752 Schely Plan or Map of Edo or Tokyo

Map of Edo castle with Shogunate and Dai

Folding screen depicting scenes of the attendance of daimyo at Edo Castle in 1847. Hasuike-Tatsumi-Sanjū-yagura is at the center, Kikyō-mon (the inner Sakurada-mon) on the right side. Signs alongside the moat are written with the words "geba" (dismount). The attending daimyo were required to reduce their number of attendants before entering the inner castle compound. Signs with the family names of each entourage identify them (counting from the right side the first panel) from the [Okayama Domain](#), [Fukuoka Domain](#) (fourth panel), [Kurume Domain](#) (fifth panel), [Tottori Domain](#) (sixth panel), [Satsuma](#) and [Izumi Domains](#) (seventh panel) and the [Sendai Domain](#) (eighth panel)
