List your ideas about design, art and the design process.

Why do you think the design process does not follow 1 path from beginning to end?

Which part of the design process do you feel is the most important and why?

PROTOTYPE TO PRODUCT
What are the characteristics of this display?
Think about …. Colour, Line, Form, Placement of items, Materials used.

Why do designers ask questions? Why do designers want to improve designs?

Design it Better!
Why is feedback important?

Do you know any tips about giving or receiving feedback?
