

# COOPER HEWITT MINI DESIGN CHALLENGE

DO YOU UNDERSTAND WHAT A COLLAGE IS?

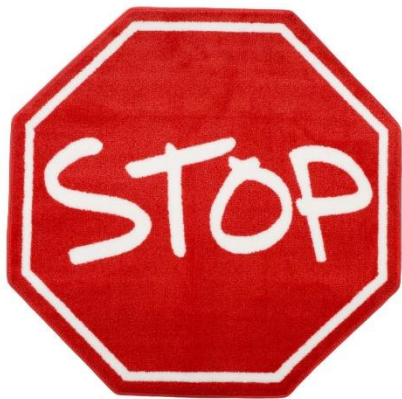

Have you made a Collage before? What do you know about this technique? Planning is essential!

YOUR GOAL FOR THIS CHALLENGE...

TO CREATE A COLLAGE FOR YOUR PORTFOLIO THAT DEMONSTRATES YOUR STRENGTHS, INTERESTS, EXPERIENCE AND GOALS.

MATERIALS FOR ACCESS:

- ANY OF THE DRAWING MATERIALS WITHIN THE DESIGN CENTRE
- SELECT PICTURES AND IMAGES FROM THE BASKETS
- USE MATERIAL FOR COLOUR, PRINTS AND TEXTURE
- GLUE GUNS AND STICKS
- BACKING BOARD

Assemble your Collage on the board and plan carefully where each piece should be placed. Designers have a purpose for selection and placement and as a designer of this Collage, you should do the same.

Know when to STOP, be careful not to overuse an item or idea, too much can take away from your work.

This Collage should speak as much about you, your strengths, interests, experience and goals as your personal statement does.

A COLLAGE IS A PIECE OF ARTWORK THAT IS ASSEMBLED BY USING VARIOUS MATERIALS SUCH AS PARTS OF PHOTOGRAPHS OR PICTURES, STICKERS, TEXT AND SYMBOLS TO DEMONSTRATE A THEME OR MESSAGE.
